		-	to in your personal life and in v		istry.		
Initials	Emotional and Educational Parenting or adoption are the only positive and healthy outcomes for any pregnancy. We should embrace and support women who make either						
	of these life-affirming decisions.						
	Every pregnant woman deserves quality childbirth education and loving support during delivery.						
	Teaching positive approaches to parenting and discipline will help break the cycles of child abuse and neglect that are so prevalent in our						
	community today.						
	Life skills education can help people become self-sufficient and end the cycle of dependency upon public assistance.						
Abstinence from premarital sexual activity should be encouraged as the only healthy, Biblically correct choice for single m							
Women and families who have personally experienced the physical, emotional, and psychological pain of abortion need our love an							
	grieve their losses and receive healing. Physical and Developmental						
	All pregnant women deserve access to appropriate prenatal care.   Early prenatal education and medical care are vital for a safe and healthy pregnancy.						
Fathers are vitally important in the life of a child and family. They need our love and support to fulfill or							
	lives.						
	Every effort must	Every effort must be made to address the serious problem of homeless pregnant women and their families.
