HIRING AT HANNAH HOUSE

As most of you know, we spent most of 2018 and 2019 working on repairing Hannah House. With all the repairs now finished, the rooms are now redecorated, and the house is ready for moms and babies. All we need now to reopen, is the hiring of our Resident Advocates. Our Resident Advocates are similar to Resident Assistants. Our RA's work at Hannah House and build relationships with our residents, assist with meal planning, and other life skills. We have both **Evening and Weekend** full and part-time positions available, as well as a **live-in Overnight** position.

To view the full job descriptions and fill out an application, please visit hannahcenter.org/employment. You can also contact our Hannah House Director, Liz Franklin, at liz@hannahcenter.org or at 812-334-2662.

HANNAH THON 2020

We're so excited for the upcoming Hannah-Thon on **April 17th**! Hannah-Thon is our annual 12 hour radio-a-thon that is hosted by Spirit 95.1 and broadcast live over the radio and online from the Hannah House Maternity Home. This is an event that Spirit 95.1 has blessed us with for many many years. We are grateful for everything they do for us at Hannah Center. Hannah-Thon is about highlighting our clients and residents. Yes, we are still raising awareness and funds for our organization. But, it is mostly about the ones who have changed because of what we do. The day is filled with stories from clients who choose to be heard. They tell THEIR stories. We listen and support them.

NEW HOURS IN MARCH

On March 2nd we will offer new extended Material Support hours! We will start opening from 10am-11:30am on Tuesdays and Thursdays. We are hoping these extended hours will give everyone more opportunities to get the items they need and will help with our frequent parking lot overcrowding. We will also be open during those times to take donations and do intakes.

OUR CLASSES THIS YEAR

This year we created a new class series called New Beginnings. This program will encompass what clients need to know in the first few months of parenthood!

We now hold the following classes:

- Safe Sleep
