HANNAH-THON 2020

We're so excited for the upcoming Hannah-Thon on April 17th! Hannah-Thon is our annual 12 hour radio-a-thon that is hosted by Spirit 95.1 and broadcast live over the radio and online from the Hannah House Maternity Home. This year's theme is "grace upon grace". When God first laid this phrase on our hearts, we weren't sure how to incorporate it into Hannah-Thon. But, as we prayed, trying to understand what God wanted us to share this year, we realized that this verse is what our ministry is founded on. The belief that every person is worthy, that every life has value, meaning, and purpose. We work everyday to emulate grace, to show our clients the plans God has for them, that they have hope and a future. We hope that you'll join us in listening to our clients' stories of hurt and struggle, but also triumph and hope.

You can get involved in this year's Hannah-Thon in many ways! First, you can **donate at hannahcenter.org/hannahthon** We are also in need of pre-event and day of volunteers! Check the next page for more info on volunteering!

ADDED MATERIAL SUPPORT HOURS

We added Material Support hours! We are now opening from 10am-11:30am on Tuesdays and Thursdays. We are hoping these extended hours will give everyone more opportunities to get the items they need and will help with our frequent parking lot overcrowding. We will also be open during those times to take donations and do pregnancy tests and intakes.

VOLUNTEERING FOR HANNAH-THON
